

SILICONE REMOVER

For quick cleaning and degreasing of dirt accumulation (silicone, oil, grease residues) on metal, cast, light metal, ceramic, glass, rubber and plastic parts. For applications in the automotive, marine, construction and agricultural machinery sectors as well as industry and handicraft.

CHARACTERISTICS

- for universal use
- completely residue-free
- very good cleaning action and quick-drying
- ideal for preparing surfaces for painting/varnishing
- non-corrosive
- also suitable for use as an adhesive-residue remover
- 360° valve

TECHNICAL DATA

shelf life	36 months; store in a cool and dry place
-------------------	--

INSTRUCTIONS FOR USE

Shake well before use. Apply PETEC silicone remover spray onto the contaminated area from a distance of 20 cm and wipe with a clean cloth. Repeat the procedure several times in case of heavy soiling. Be sure to check that the material used is compatible with the spray.

Observe the safety and technical datasheet! (Download PETEC data sheets from www.petec.de)

CONTAINER SIZE

Item-No. 70950
500 ml spray
