

HIGH PERFORMANCE BORING & CUTTING OIL SPRAY

Activates and simplifies all machining and separation processes such as reaming, drilling, turning, grinding, sawing, scraping, punching and milling. For applications in the automotive, marine, construction and agricultural machinery sectors as well as industry and handicraft.

CHARACTERISTICS

- suitable for all materials
- good penetration properties
- biodegradable
- silicone-free
- prevents damage of the surface
- good adhesion properties – no slippage of boring tools
- extends the service life of tools

TECHNICAL DATA

colour	red
temperature resistance	up to 100°C
shelf life	36 months; store in a cool and dry place

INSTRUCTIONS FOR USE

Shake well before use. Spray PETEC boring and cutting oil evenly on the tool (die, drill bit, cutter) and if necessary repeat during the separation process and then clean.

Observe the safety and technical datasheet! (Download PETEC data sheets from www.petec.de)

CONTAINER SIZE

Item-No. 73050

500 ml spray
