

## PAINTABLE STONE CHIP & UNDERBODY PROTECTION, BLACK, GREY

Offers optimum protection against stone chips and rust in all corrosive environments with very good adhesion to metallic surfaces. Bitumen underbody protection forms a permanent, visco-elastic and closed protective film with anti-buzzing effect.

### CHARACTERISTICS

- protects repair and body parts from rust and stone chips
- good adhesion to all surfaces
- forms an elastic, structural and closed protective film with anti-buzzing effect
- can be re-coated
- does not become brittle or cracked and also sticks at high temperatures
- resistant to water, salt water, brake fluid and many chemicals

### TECHNICAL DATA

colour	black, grey
drying time	approx. 3 hours
curing time	approx. 16 hours (depending on temperature and coating thickness)
processing temperature	+5°C to +30°C
shelf life	36 months; store in a cool and dry place

### INSTRUCTIONS FOR USE SPRAY

Shake well before use. Spray PETEC stone chip and underbody protection on the rust-free, clean, dry and degreased surface from a distance of approx. 25 cm. Can be re-coated after the drying time. Paints, varnishes or other media containing solvents may inhibit or ruin the curing process. Always carry out tests in order to ensure the suitability of the product for the application in question. After use, turn the can upside down and spray until the valve is empty.

### INSTRUCTIONS FOR USE VACUUM CAN

Shake well before use. Spray PETEC stone chip and underbody protection on the rust-free, clean, dry and degreased surface from a distance of approx. 25 cm using the PETEC underbody protection gun (art. no. 98507). Can be re-coated after the drying time. Paints, varnishes or other media containing solvents may inhibit or ruin the curing process. Always carry out tests in order to ensure the suitability of the product for the application in question. Clean the underbody protection gun after use.

Observe the safety and technical datasheet! (Download PETEC data sheets from [www.petec.de](http://www.petec.de))
